Australasian Conference on Robotics and Automation (ACRA) 2022

Event Sponsorship Prospectus 6th-8th December, 2022, Australian Cobotics Centre, Brisbane

The organisers of ACRA 2022 are excited to invite you to be part of this event as a sponsor.

This year, the [Australasian Conference on Robotics and Automation \(ACRA\)](#) will be jointly organised by the [Australian Robotics and Automation Association \(ARAA\)](#) and the [Australian Cobotics Centre \(ACC\)](#). Since its first edition in 1999, the conference has travelled all around Australasia, bringing together students, researchers, institutions, and businesses in the fields of robotics, automation and mechatronics. Sponsors of ACRA receive broad exposure to the robotics community.

Venue

ACRA 2022 will be held on 6-8 December 2022 at the Queensland University of Technology (QUT) in the Owen J. Wordsworth room, Gardens Point Campus.

Keynote speakers

We have high profile academic and industry keynote speakers from all over the world speaking at this conference, including:

- Rodney Brookes (MIT). Founder and CTO of Robust.AI and iRobot. Co-Founder CTO of Rethink Robotics.
- Dagmar Reinhardt (University of Sydney). Practising architect, robotics researcher and educator.
- Gosselin Clément (Laval University). Canada Research Chair in Robotics and Mechatronics.

These talks will be tagged with sponsors logos and will be made freely available online via the ARAA, ensuring broad exposure to both an expert audience in the area of robotics and automation, and the wider community.

Sponsorship Opportunities

The deadline to purchase your sponsorship is 30th Nov 2022.

For enquiries, please email us at marc.carmichael@uts.edu.au or misaksson@swin.edu.au

	Platinum (limited to 3)	Gold	Silver	Bronze
